

Chamber News Update – April 14, 2010

1. Revelstoke Home and Leisure Show – Mark your calendars. Next weekend (April 24/25) is the 2010 Revelstoke Home and Leisure Show at the Revelstoke Forum. There will be over 70 exhibitors covering everything for your Home and Recreation needs! We have a number of demonstrations and samples from local restaurants scheduled over Saturday and Sunday, so be sure to check the schedule of events in next week's Revelstoke Times-Review special insert. Admission is free with a donation to the Revelstoke Food Bank. We will have a hot tub donated by Bear Canyon Cabinets and hope you will help us "Fill the Tub with Grub"!

The local media have been helping us promote this fantastic community event, and posters are beginning to appear all over town. All of our Chamber members can help by spreading the word to your customers and clients as well!

2. Grizzly Plaza Visitor Centre – Opening day for the seasonal Grizzly Plaza Visitor Centre is fast approaching! The Chamber of Commerce would like to welcome our new Visitor Centre Supervisor, Aimee-Leih Dillon to the team! Aimee was with us last summer as an Information Counselor and is looking forward to meeting all our operators once again to ensure we have a great summer connecting the right info to our visitors! Opening day is scheduled for May 3rd.
3. Downtown Business Committee Meeting – The DBC will be meeting on Tuesday, April 20 at 4pm in the Chamber of Commerce board room, upstairs at 204 Campbell Avenue. Three items for discussion:
 - Spring Sidewalk Street fest – May 29 or June 5 and why?
 - Local Business Awareness Campaign – Hear what's been developed so far and give us your ideas/feedback
 - New Ideas – Got a new idea for an event/promotion, or a great way to improve an existing one? Come share it!

As always, all Chamber members are invited to participate.

Have a great day!

John Devitt
Executive Director
Revelstoke Chamber of Commerce
